appointment of Dr. Krishna Bhat for one year only. The D.M.S. however has recommended his appointment for the usual period of five years in view of the fact that the officer possesses the L.O. qualification. The D.M.S.'s recommendation may be accepted. Following the existing practice, the D.M.S. has recommended the appointments of Hony. A.M.Os. as Junior and Senior according to the length of service and experience of the candidates. The Govt. have already in connection with the recommendations of the D.M.Os' Conference decided to do away with these different designations and to appoint all merely as Hony. A.M.Os. Formal orders in the matter have not been issued as the case is lying over pending the receipt of the D.M.S.'s reply to a reference issued to him on another point. The decision may however be implemented and the D.M.S. also informed of it. Subject to orders, a para has been added to the draft above

May be circulated to M.(H) for approval

I invite a reference to my letter Ref.No.125198-E2/54 dated 14-12-1953, disposed of in the G.O.cited, wherein Dr.M. Kesava Rai was recommended for appointment as Honorary Asst. Medical Officer in the General side of the Headquarters Hospital,Mangalore. It is since noticed that the vacancy for which Dr.Kesava Pai was recommended was on the Medical side (sanctioned in G.O.Ms.No.1312-H.,dated 8-4-1953) and not in the General side . I request that necessary modification to the G.O.cited appointing Dr.Kesava Pai to the Medical side may kindly be issued . The mistake which has occurred by oversight is regretted.

Yours faithfully,
